

‘SUPPORT for the TROOPS’ Program!

Parise Racing, Vettes for Vets in association with Masterchief Lee McKinney are spreading the word about sending a bit of home in the ‘Support for the Troops’ program for our Nations heroes! When Lee was in Iraq in 2007-2008 he spearheaded this program by asking race teams to send t-shirts, hats, etc. Well, Lee is now with the 101st Airborne in Bagram Afghanistan, and is working from there to make things a little brighter for our soldiers, although he himself is away from his own family.

Lee will take the boxes and send items out to various bases to spread the cheer! So, feel free to send as much as you want! There are many things our Troops need and would like to have. All types of snacks are a favorite, hand sanitizer, baby wipes, gum, magazines, movies, Phone Cards to call home and of course team t-shirts and hats.

The address to send items to is:

**Lee McKinney
USFORA NKC/J3

APO AE 09356**

Feel free to print this out! Take it to work or school. Get your friends involved! While it is fresh in everyone’s minds, let’s get going! You will be glad you did!
